

**Wieland Metal Services, LLC  
Terms And Conditions of Sale**

These terms and conditions of sale (these "Terms") are the only terms which govern the sale of the goods ("Goods") and services ("Services") by Wieland Metal Services, LLC and its subsidiaries ("Seller") to the buyer named on the order acknowledgment ("Buyer"). Notwithstanding anything herein to the contrary, if a written contract signed by both parties is in existence covering the sale of the Goods and Services covered hereby, the terms and conditions of said contract shall prevail to the extent they are inconsistent with these Terms.

**1. Acceptance**

Buyer's purchase order, or other offer to purchase Seller's Goods, will be accepted when Seller sends Buyer a written acceptance, which may be transmitted physically or by electronic means, or when Seller begins to manufacture the Goods for Buyer's purchase order, and is expressly limited to, and expressly made conditional on, Buyer's acceptance of these Terms. The accompanying order acknowledgment (the "Sales Confirmation") and these Terms (collectively, this "Agreement") comprise the entire agreement between the parties, and supersede all prior or contemporaneous understandings, agreements, negotiations, representations and warranties, and communications, both written and oral, including the Buyer's purchase order. The Sales Confirmation of Buyer's purchase order is not subject to any other terms and conditions unless such terms and conditions are set forth in an agreement signed by both Seller and Buyer that references and specifically amends these Terms. In the event Buyer's purchase order or any other document submitted by Buyer includes terms and conditions that differ from or are in addition to these Terms, (a) such terms and conditions are expressly rejected by Seller and are null and void and (b) Seller shall not be deemed to have waived these Terms if it fails to object to such terms and conditions. Either of (y) Buyer's failure to submit a written objection to these Terms to Seller within five (5) days of Buyer's receipt of the confirmation or (z) Seller's commencement of the manufacturing of the Goods shall constitute a firm contract on these Terms.

**2. Prices**

PRICES & SURCHARGES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

Buyer will pay Seller the price that Seller has in effect for the Goods on the date that the Order is shipped, unless they have entered into a separate written agreement that governs the pricing of the Goods.

All base prices are also subject to Seller's published surcharges in effect at the time of shipment. From time to time, Seller will also implement raw material or energy (including, but not limited to, fuel, electricity, or natural gas) surcharges as necessary and appropriate to reflect increases in Seller's costs for producing the Goods, which will be added to the price of the product on Seller's invoice for the Goods. Buyer will pay the surcharges as they are invoiced.

Goods cannot remain on Seller's premises after completion, unless pre-approved in writing by Seller. Any administrative activities (e.g. use of Buyer's portal) or participation in Buyer-specific program(s) requested by Buyer shall be subject to Seller's approval and invoiced for costs incurred by Seller.

All Prices are exclusive of all sales, use, and excise taxes, and any other similar taxes, duties, and charges of any kind imposed by any governmental authority on any amounts payable by Buyer. Buyer shall be responsible for all such charges, costs and taxes; provided, that, Buyer shall not be responsible for any taxes imposed on, or with respect to, Seller's income, revenues, gross receipts, personal or real property, or other assets.

**3. Buyer's Specifications**

The Buyer shall provide Seller all necessary specifications with the Purchase Order for the Goods. It is the Buyer's sole responsibility to state if goods are to conform to a specification and/or government requirement. The Seller specifically disclaims any responsibility for Goods to achieve and/or conform to any other specification than that detailed in the Purchase Order as accepted by Seller.

**4. Modifications and Cancellations**

Any changes requested by Buyer for an existing Order, including but not limited to type of Goods ordered, quantity ordered, and/or delivery dates, must be agreed upon in writing by the Seller. If any

changes are agreed upon by the Seller, but require an adjustment in the price charged to Buyer or the delivery dates, Seller will notify Buyer of such changes. Unless Buyer objects to the changes within five (5) business days after Seller notifies Buyer of such, Seller will implement the agreed upon changes with the adjusted price and delivery schedule. If Buyer objects to the adjusted price or delivery schedule, then the Order will not be changed.

Orders cannot be cancelled after receipt of a Sales Confirmation. If Seller agrees in writing to a cancellation, Buyer shall reimburse Seller for any and all losses, damages or expenses it incurs, such as, but not limited to, any restocking fees or rework fees, scrap fees, processing costs or material expenses.

## **5. Terms of Payment**

Buyer shall pay all invoiced amounts due to Seller within fifteen (15) days from the date of Seller's invoice. Buyer shall make all payments owed to Seller by wire transfer (preferred method) or check and in US dollars. Buyer shall pay interest on all late payments at the lesser of the rate of 1.5% per month or the highest rate permissible under applicable law, calculated daily and compounded monthly. Buyer shall reimburse Seller for all costs incurred in collecting any late payments, including, without limitation, attorneys' fees. In addition to all other remedies available under these Terms or at law (which Seller does not waive by the exercise of any rights hereunder), Seller shall be entitled to suspend the delivery of any Goods or performance of any Services and stop Goods in transit if Buyer fails to pay any amounts when due hereunder. Buyer hereby permits Seller's entry to Buyer's premises for such purpose and waives any and all rights to notice or hearing prior to such entry and seizure of Seller's Goods following Buyer's default in payment.

Buyer shall not withhold payment of any amounts due and payable by reason of any set-off of any claim or dispute with Seller, whether relating to Seller's breach, bankruptcy or otherwise. Seller shall be entitled at all times to set off (a) any amount owed at any time from Buyer to Seller or any of Buyer's affiliated companies; (b) any damages resulting from Buyer's default under or breach of any contract (including any purchase order and these Terms); (c) any unapproved adjustments for shortage or rejection made by Buyer against any amount payable at any time by Buyer or any of its affiliated companies to Seller.

Seller may recover for each shipment or delivery hereunder as a separate transaction, without reference to any other shipment or delivery. Buyer's credit is subject to Seller's continuing approval. In the event Buyer's creditworthiness, in the opinion of Seller, is unsatisfactory or becomes impaired, Seller may limit, modify or cancel the credit of Buyer and demand advance payment, satisfactory security or a guarantee of prompt payment before shipment or delivery of the whole or any part of the Products without in any way affecting the obligation of Buyer to perform under these Terms. If Buyer refuses to give Seller the payment, security or guarantee demanded, or if Buyer is in default in any payment or if any proceedings, voluntary or involuntary, are instituted by or against the Buyer in bankruptcy or insolvency or under any provision of the U.S. Bankruptcy Act, or for the appointment of a receiver or trustee or an assignee for the benefit of creditors, Seller shall have all of the rights of secured party under the UCC and may cancel this agreement, including any Orders placed by Buyer, refuse to deliver any undelivered Products and Buyer shall immediately pay to Seller the unpaid invoices for all Products delivered, and if any of the Products are custom for Buyer, Buyer will also pay for any Products that are in the process of manufacture, all tools and dies that were bought by Seller specifically for Buyer's Products, and for and all other damages, including loss of reasonable profits caused by Buyer's default. Buyer agrees to execute either prior or subsequent to delivery, upon Seller's request, such security agreement, financing statements, and any other documents or agreements necessary to grant to Seller a perfected security interest with respect to all goods and proceeds thereof, and to pay the cost of filing the same in any public office. Buyer represents that it is not insolvent as defined in Section 1-201 (23) of the Uniform Commercial Code. In the event that Buyer becomes insolvent before delivery of the Goods, Buyer agrees to notify Seller. Failure to notify Seller shall be construed as a reaffirmation of Buyer's solvency at time of delivery.

## **6. Fitting-up Charges**

Fitting-up charges will be invoiced for any necessary tools and fixtures required to provide the Goods to Seller. Such tools and fixtures will remain the sole property of Seller and in Seller's possession. There will be no additional charge for their upkeep or replacement. If a period of two years has elapsed since the receipt of any order from Buyer requiring the use of such tools and fixtures, Seller may make

any such use or disposition of such tools and fixtures as Seller desires, without any accounting to Buyer for such use or disposition, or the proceeds thereof, unless otherwise mutually agreed upon in writing.

If Buyer requests any additional packaging, reusable packaging, or any other non-standard packaging (including packaging, Seller will charge Buyer an additional fee. Any specific requirements requested by the Buyer must be agreed in writing by the Seller when the Purchase Order is placed. Excess transportation charge for shipments requiring special equipment in handling or transporting shall be charged to Buyer.

The date of the bill of landing shall constitute conclusive evidence of the date of shipment. All shipment or delivery dates are approximate. Seller reserves the right to ship Goods in advance of any established delivery schedule or make partial shipment and/or transshipment. Each shipment hereunder shall be deemed a separate transaction. Buyer will not be excused from accepting any shipment or partial shipment of Goods from Seller because of a prior non-conforming shipment or any prior delay or failure to ship.

Seller's weights will govern. Shipments may be within ten percent (10%) over or under the weight on the Order.

## **8. Delay**

Any dates and times quoted for delivery are approximate only and Seller shall not be liable for any delay in delivery however caused; in no event shall Seller be responsible for expedited freight charges or other costs incurred due to a delay (e.g. production downtime, lost profits, and/or lost revenue), unless agreed upon in writing. Seller is not liable for any delays or increased costs arising out of, by reason of, or in any way connected with any breach by Buyer of any of its obligations hereunder, or any other act, omission or negligence of Buyer or any of Buyer's employees, workers, servants, agents, subcontractors or suppliers. If Buyer-caused delay occurs, then the price and other affected items shall be adjusted to reflect increased costs, delay and other adverse impact suffered by Seller. If delivery of the Product is delayed due to conduct of Buyer or any of Buyer's employees, workers, servants, agents, subcontractors or suppliers, then Seller, in its sole discretion, may store the Product at Buyer's sole cost, expense and risk.
